Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents on the attached listing. This Supplemental Information Disclosure Statement is being filed after the events recited in Section 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final action, Quayle action, or a Notice of Allowance. Under the provisions of 37 C.F.R. § 1.97(c), this Supplemental Information Disclosure Statement includes a certification as specified by Section 1.97(e).

The foreign patent document listed in this Supplemental Information Disclosure Statement was first cited in a Notification of the First Office Action issued by the Chinese Patent Office in a counterpart foreign application, and this Supplemental

Information Disclosure Statement is being filed within three months of the mailing date of that Notification.

A copy of the listed foreign patent document is attached. In lieu of a statement of relevance or translation of the non-English document, an English language translation of the Notification issued by the Chinese Patent Office in the counterpart Chinese application citing this document and setting forth the relevance thereof is enclosed.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please
charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
